

SEC REGISTERED CONSULTANCY

Global Link Visa Advisors

Providing Professional, Transparent & Ethical Counseling Services in Overseas Education,
Labour Migration, and International Immigration Paths.

CUIN: 0284443

— Company Profile & Purpose

SECP Registered Entity

Global Link Visa Advisors (Pvt) Ltd is a registered overseas educational and immigration advisory incorporated with the Securities and Exchange Commission of Pakistan (SECP).

We are dedicated to establishing absolute trust, absolute corporate transparency, and strict adherence to global regulatory and ethical practices.

Corporate Philosophy

We believe in empowering candidates to access legitimate, secure, and fully aligned career and educational pathways internationally.

By delivering high-quality, pre-assessed, and vetted candidates, we act as a highly dependable bridging partner for recruiters and institutions worldwide.

— Core Consultancy Services

International Education

Comprehensive pathway counseling, application support, and secure language and pathway school planning across premium regions.

Work Visa Advisory

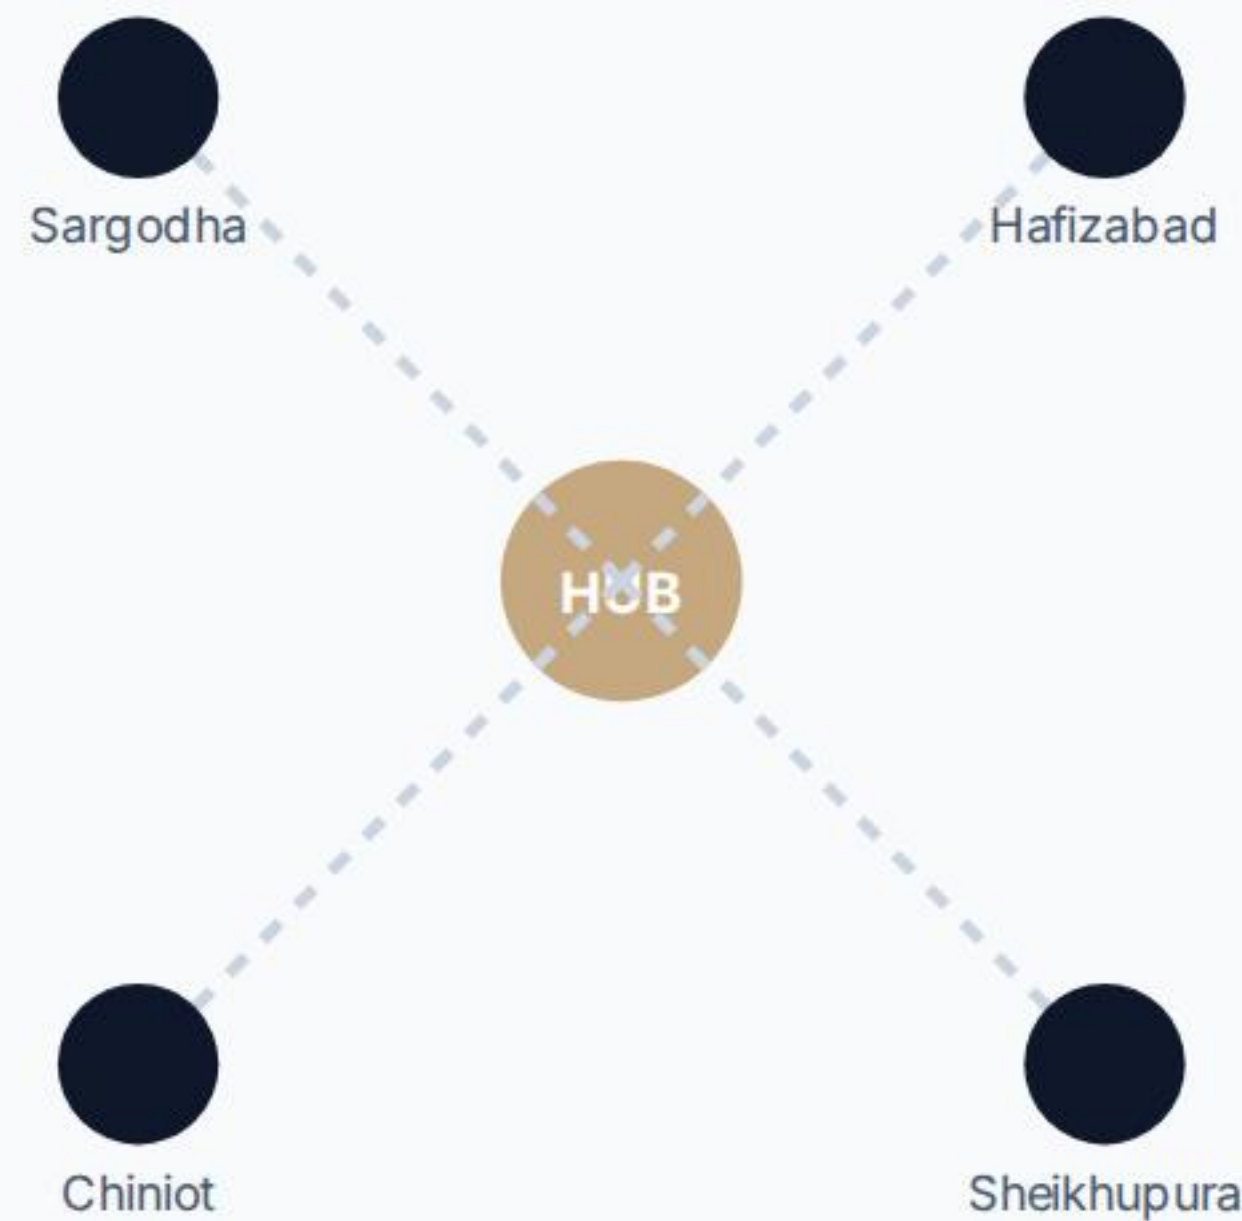

Assisting professional candidates in aligning with legitimate work visa opportunities and labor migration procedures.

Pre-Departure Briefings

Comprehensive counseling sessions highlighting regulatory frameworks, destination cultural norms, and workforce readiness.

— Strategic Regional Gateway

Nexus of Key Districts

Headquartered in **Pindi Bhattian**, our physical center acts as an easily accessible regional gateway linking four key districts: **Hafizabad, Chiniot, Sargodha, and Sheikhpura**.

These dynamic regional districts are rich with highly skilled, semi-skilled, and seasonal workforce profiles seeking professional international assignments.

— Regional Talent Pipeline

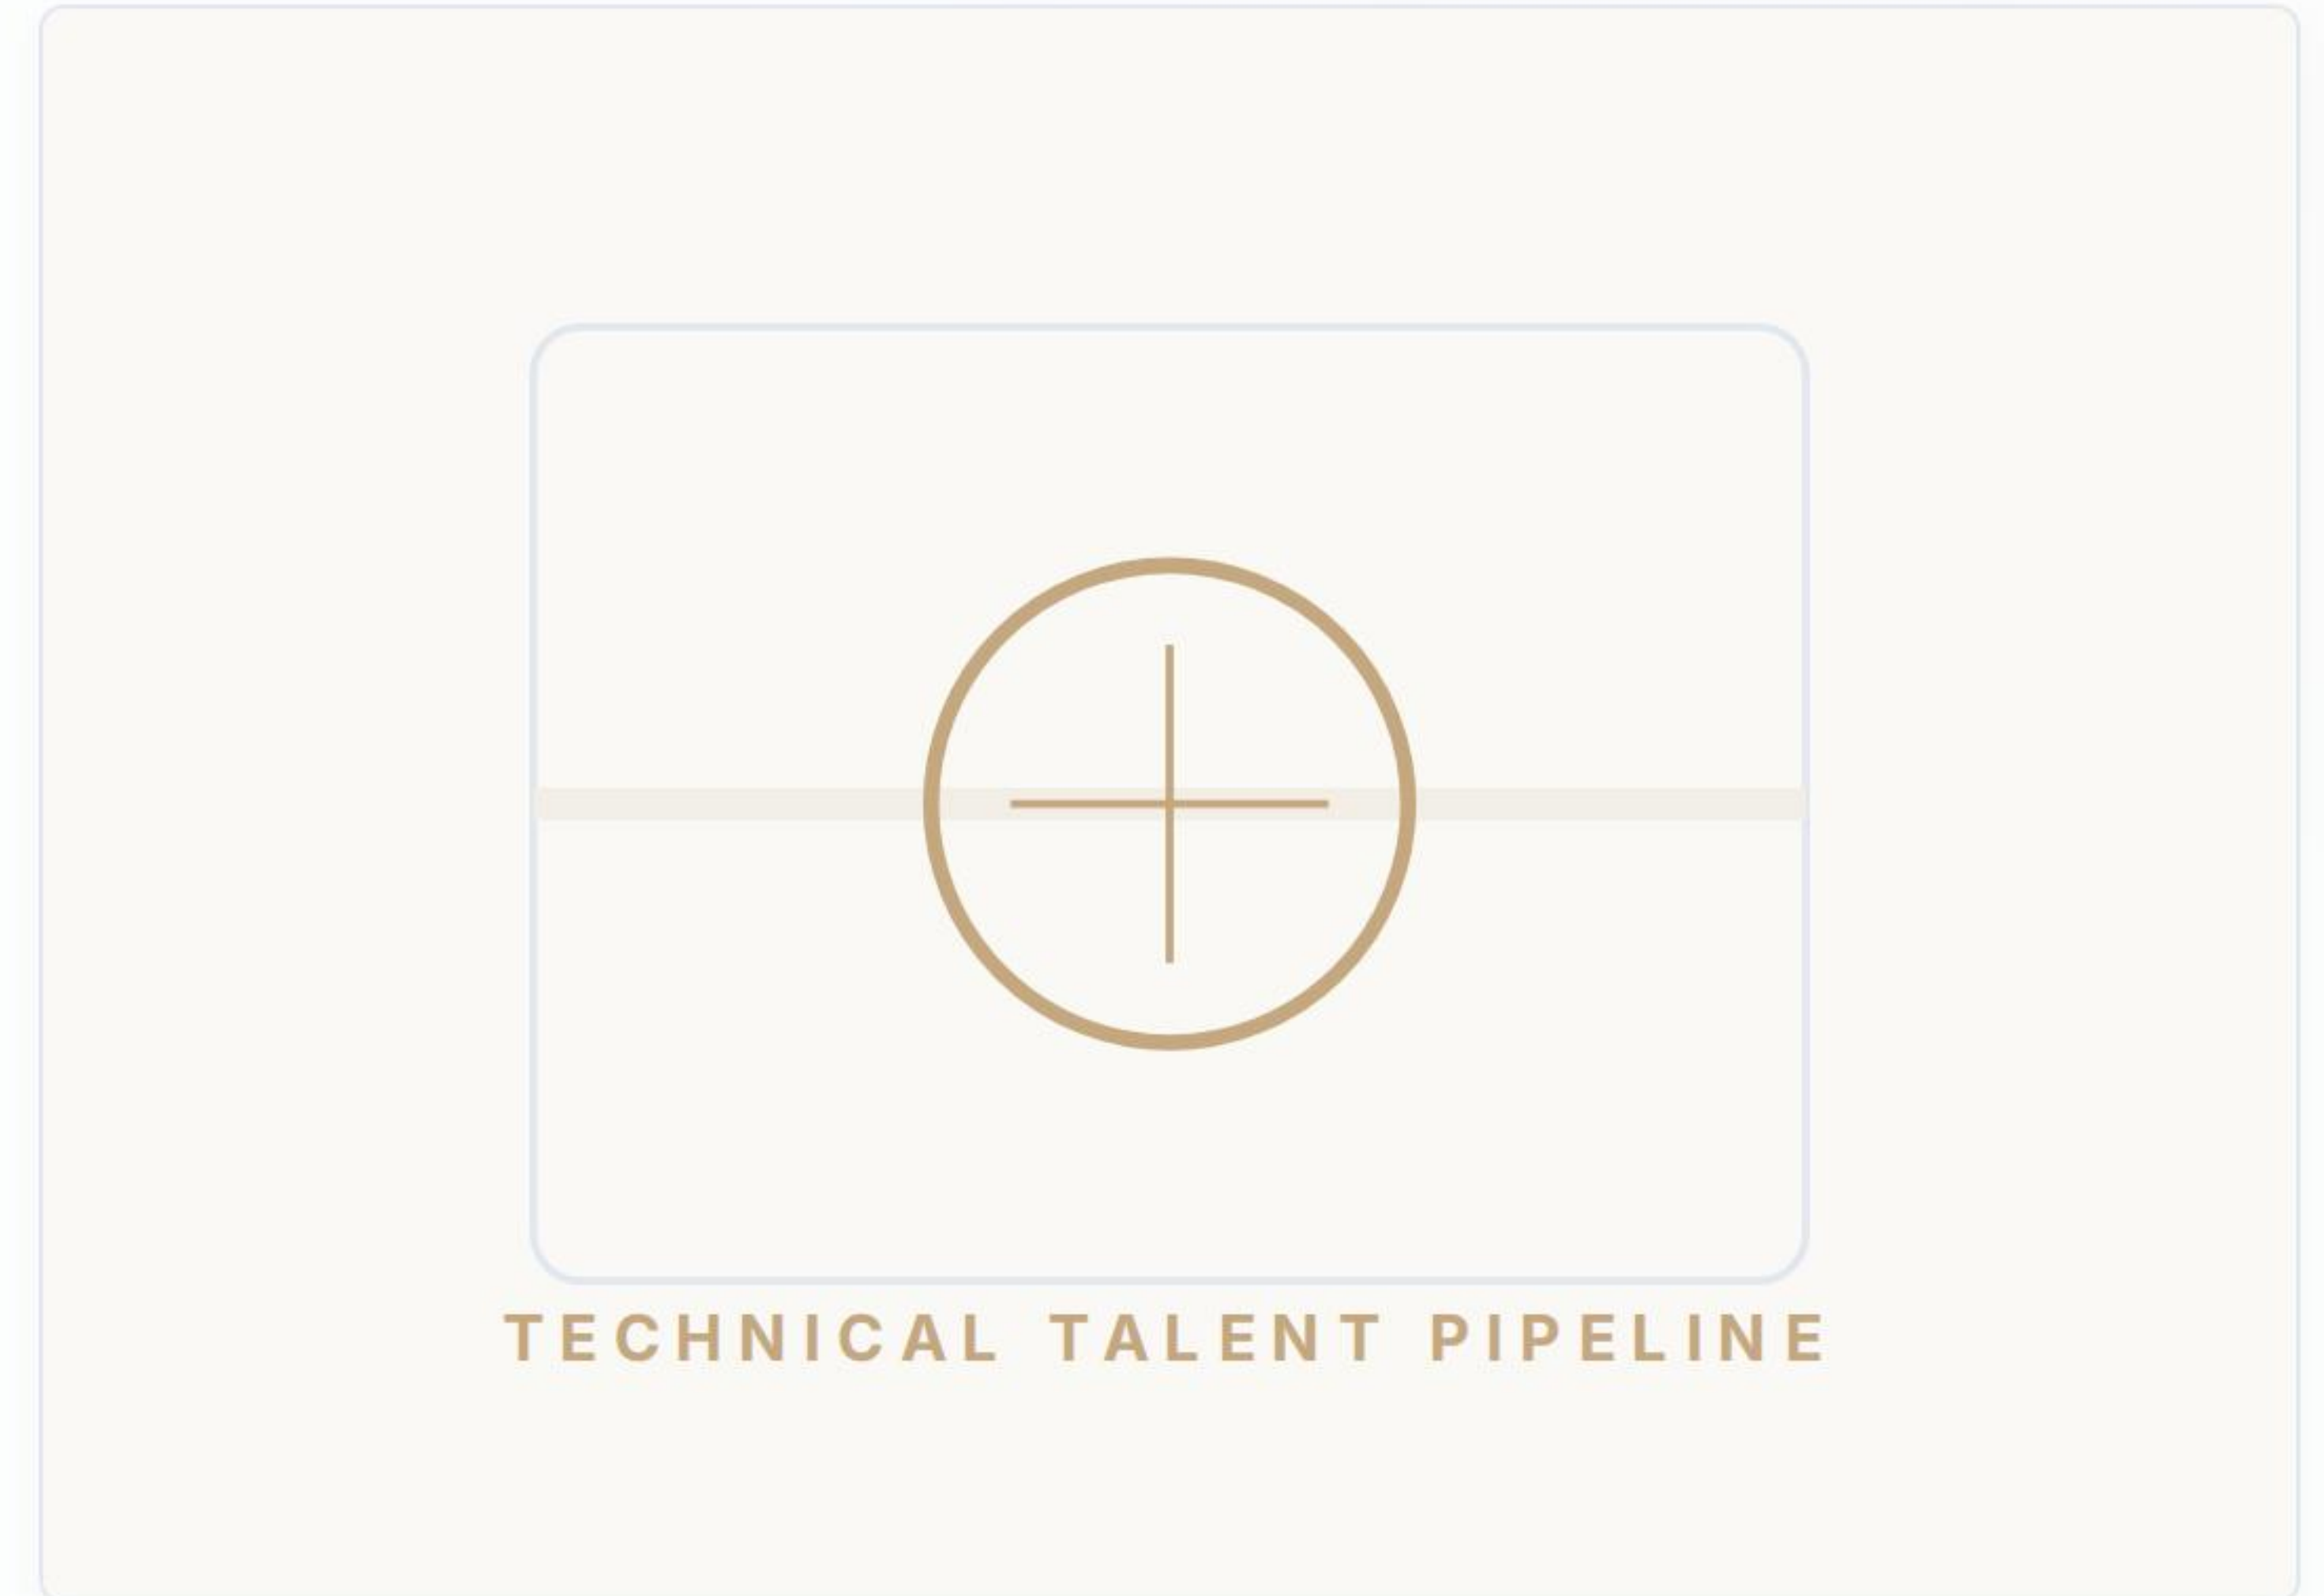

Industrial & Agricultural Power

Our proximity to [Hafizabad](#) embeds us directly within one of Pakistan's major agricultural and manufacturing corridors, famous for its canal network and high-tier crop exports.

Furthermore, our office is located just 12 km from Crescent Bahuman Limited, offering immediate access to highly disciplined industrial and manufacturing technical labor.

Primary Partner Portal:

[Crescent Bahuman Limited](#)

— Regional Workforce Metrics

REGIONAL DISTRICT	PRIMARY ECONOMIC CORE	CORE TALENT POOL TYPE	RECRUITMENT POTENTIAL
Hafizabad	Agricultural Production & High-end Textiles	Industrial Operators, Agronomists, Technical Hands	Exceptionally High
Chiniot	Fine Woodcraft, Furniture & Cultivation	Artisans, Skilled Craftspeople, Crop Specialists	Strong / Growing
Sargodha	Citrus Orchards, Heavy Services & Logistics	Machinery Experts, Supply Chain, General Operators	Very Strong
Sheikhupura	Heavy Industrial Complexes & Manufacturing	Specialized Assembly Workers, Engineers, Mechanics	High Capacity

— Leadership & Global Vision

Director & Executive Advisor

Mr. Munawar Ahmad Shaheed

Legally resided in Germany for approximately eight years, providing invaluable personal insight and first-hand exposure to European immigration, lifestyle, and strict regulatory standards.

Highly recognized inside the regional community for practicing ethical, legal, and straightforward advisory counseling.

Client Relationship Manager

Mr. Zill-E-Hassan

Possesses complete expert alignment with global recruitment methods and regional migration frameworks.

Actively participated in prestigious international recruitment seminars, training sessions, and regulatory workshops across key markets including Turkey, China, and Japan.

— Talent Acquisition Strategy

Targeted Digital Outreach

Using targeted digital programs and systematic social media positioning to connect directly with ambitious young applicants.

Career Councils & Seminars

Hosting informational seminars to explain legal pathway systems and global requirements.

Community Referrals

Leveraging a solid local footprint to foster safe, transparent referral channels based on personal trust.

Institutional Alliances

Working directly with regional training facilities to identify and prep candidates before global placement.

— Candidate Screening Process

1

Evaluation

Conducting detailed initial profiling of academic records and professional background.

2

Verification

Verifying and authenticating all credentials through the Ministry of Foreign Affairs (MOFA).

3

Selection

Matching candidate's technical and language profile against specific foreign standards.

4

Preparation

Delivering strict pre-departure legal and lifestyle briefings to ensure fast transition.

— Language Pathway Partners

Kaplan International

Industry-standard pathways and intensive language preparation targeted for higher education paths inside the United Kingdom, USA, and Canada.

Alpadia Language

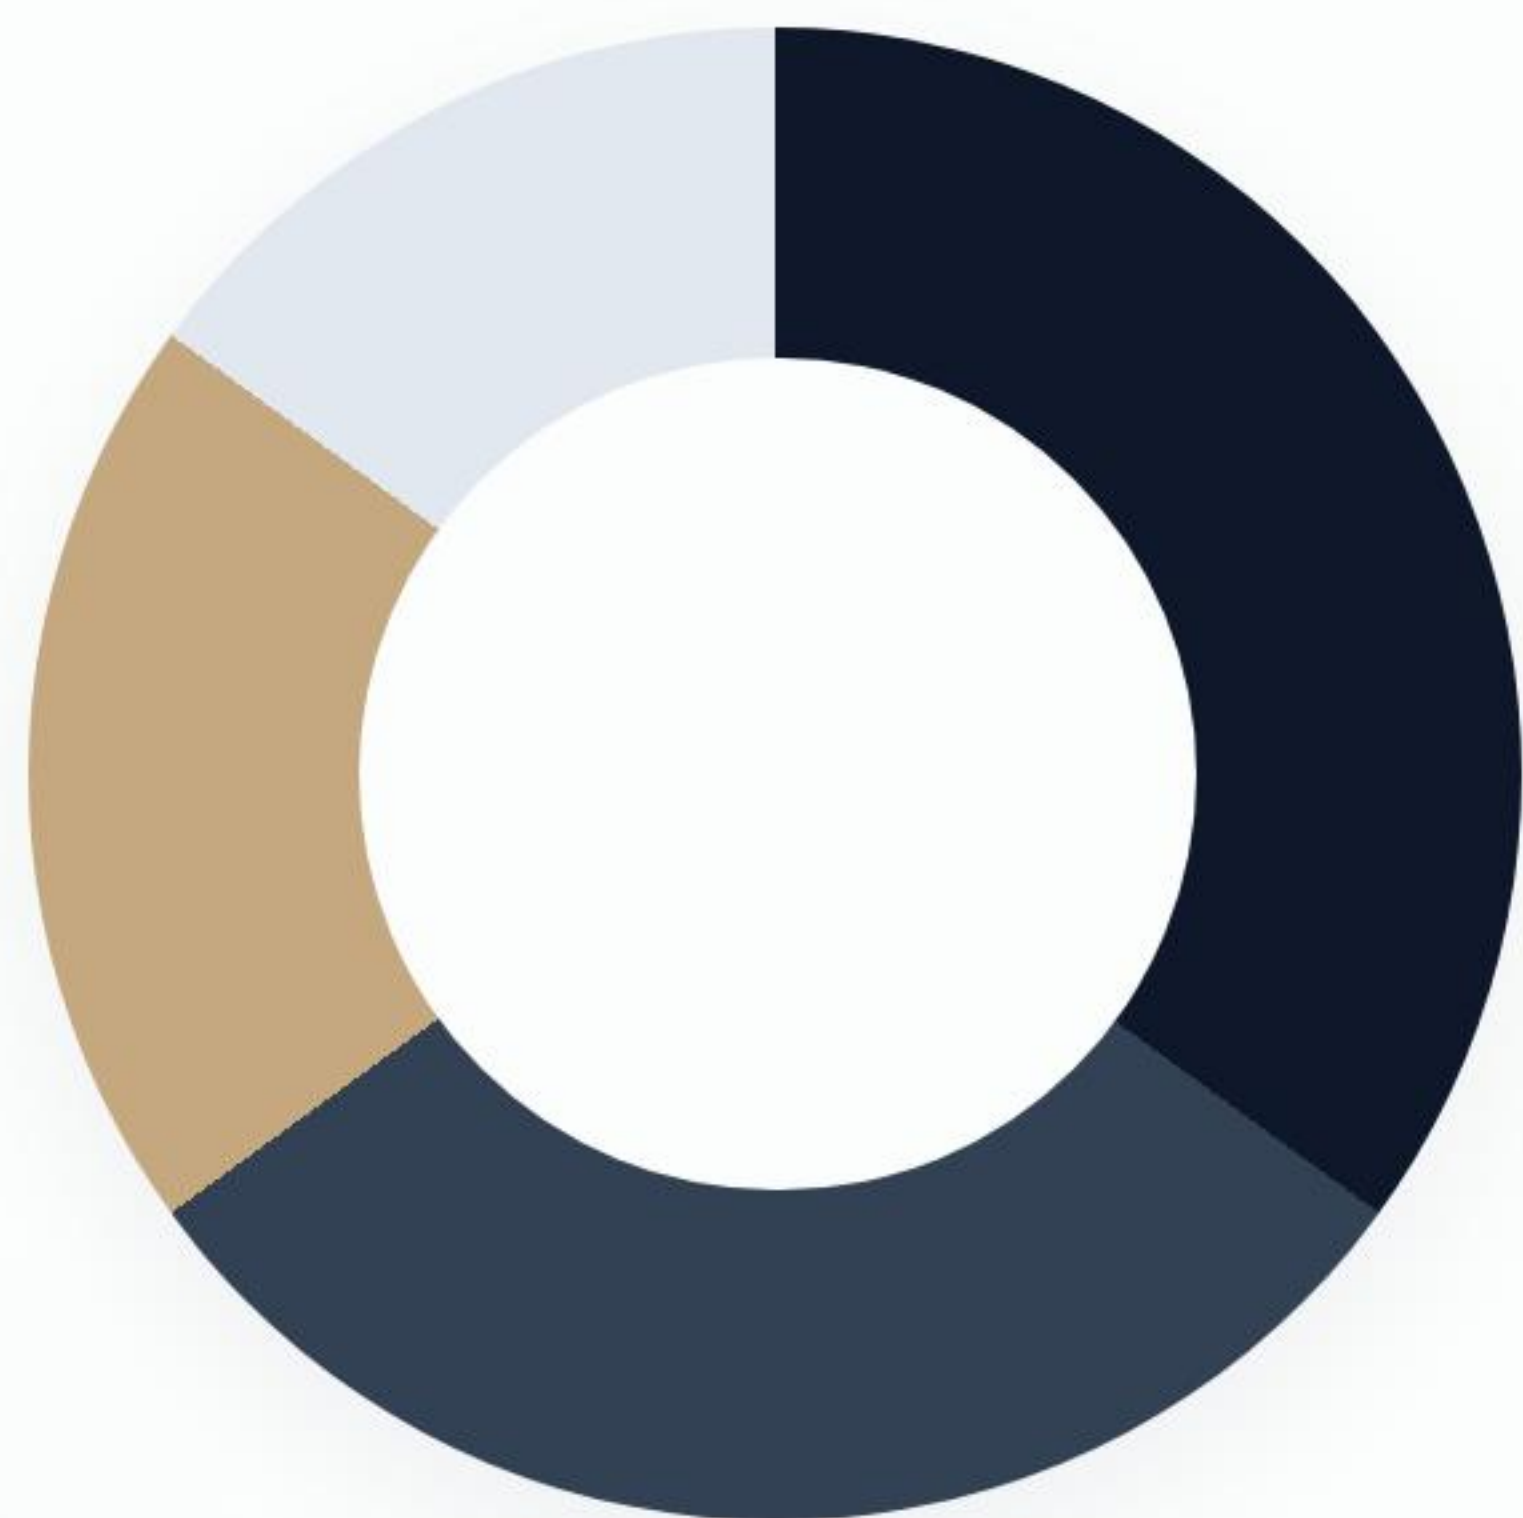

Specialized French and German courses, allowing candidates to bridge educational and linguistic requirements for work and study across Europe.

Azurlingua Schools

Certified language programs focused on immersion and intensive integration modules for academic success inside European structures.

— Primary Program Pathways

- **UK Pathways (35%)** — Academic & Intensive English
- **Germany & France (30%)** — European Language Bridging
- **USA & Canada (20%)** — University & Career Prep
- **Other Markets (15%)** — Professional Certificates
